ELECTRICAL INSULATING SLEEVING

Qualtek offers a full-line of electrical insulating sleeving used for protecting wires, cables, and hoses against abrasion, heat resistance, and harsh environments. All sleeveings are RoHS and REACH Compliant, many are UL and CSA approved, and conform to MIL-I-3190 military specifications.

Different types include:

- **Uncoated Fiberglass Sleeving**
- **Coated Fiberglass Sleeving - Silicone Resin, Silicone Rubber, PVC**
- **Expandable Sleeving**
- **Nylon Sleeving**
